Handing over charge to the new EC, online on 29th November 2020

Sadly we lost Dr. Harbhajan Singh, on 5th December 2020. He was one of our esteemed senior member. We have lost a very humble and experienced orthopaedic surgeon. We pray to almighty to give strength to his family to bear this loss. May his soul rest in peace.

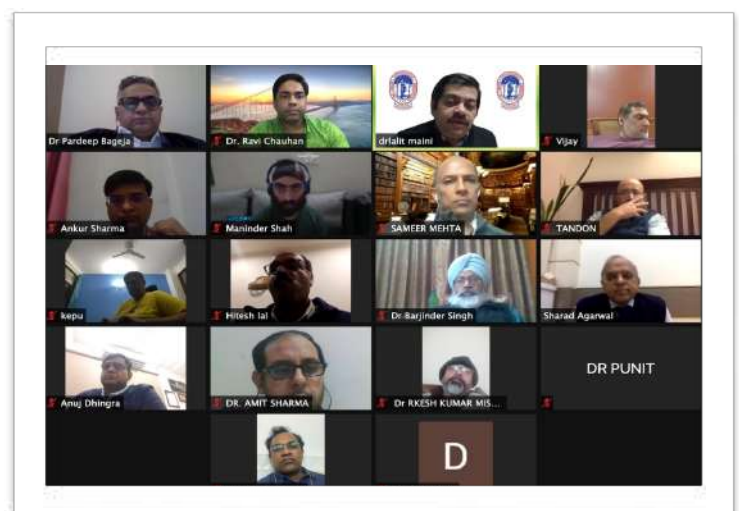

Mini Editorial Meeting was held on 5th December, Date of Scientific Writing Course was finalized as 21st Feb 2021. Also various options were discussed to make the journal self-sustaining for finances.

First Executive Committee Meeting

It was an online meeting held on 12th December 2020, the minutes of the previous meeting were Ratified. Highlights of EC meet were that the activities for the year were discussed. It was decided that the mode and content of activities would be modified based on the feedback collected over the last one year. It was felt that this year the event calendar would evolve as the COVID environment changes. So the events would be planned month wise and then take a call on the future. The website and other modalities of communications would be strengthened. Three events were planned and executed in December 2020. The academic events would on three major categories—Master class, Grand Rounds and Step-by-Step Techniques. Non-academic activities were also discussed and few like cycling, running, photography and singing were considered to be important to organize.
