February 2021

First Quarterly Meet of Delhi Orthopaedic Association

It was organized at SRS Multispeciality Hospital, Sector 70 Noida, under the able leadership of Dr.Vedpal Yadav. As the President of DOA Dr.Lalit Maini welcomed the gathering of around 70 on site and 1000 online. Talks were delivered by Dr.Priyank Gupta, Dr.Shekhar Shrivastav, Dr. Dhananjay Sabat, Dr, Vinod Kumar and Dr.Deepak Chaudhary. Every talk was

followed by interaction on the topic with participants clarifying queries offline and online. The SRS Hospital team had left no stone unturned to make it a grand event. One full floor of the hospital was dedicated to the event with no mixing with any patient area. All covid related protocols were strictly followed. The organisers took extra care to welcome and facilitate the faculty and the DOA executives. The lectures were followed by hands on training workshop on knee and shoulder arthroscopy. Four complete arthroscopy stations were installed for the delegates to practice and learn hands on. First time ever in the history of DOA, the organisers of a quarterly meet contributed rupees twenty five thousand as educational fund to DOA. We congratulate the organisers on conducting a complete program in all aspects in these difficult times

Master Class on Nailing

The first master class of this month was on intramedullary nailing on 7th February. As always it was to re visit the evolution, basics and standard techniques in intramedullary nailing. The session moderator was Dr.Punit Kumar Jain; the three speakers were Dr.Anuj Dhingra, Dr.Shailendra Gupta and Dr.Rehan UI Haq. A video demonstration on saw bone tibia interlocking was shared for better clarity of steps. There were many queries from the delegates, which were all addressed.

JCOT – IJO Scientific Writing Made Easy

On 21st February the regular scientific writing event of DOA was conducted. As always it was in collaboration of the editorial teams of JCOT & IJO. It was an online event so even faculty from outside Delhi and India were involved. There were 19 faculty members who participated in this 4-hour event. For first time the event was co streamed by ortho TV. There were a total of 3000 delegates who attended the event. Newer before a scientific writing event has been attended by such large number of delegates. The sessions were on very practical topics and each session had almost an hour of panel discussion.

DOA Sports meet

As is the theme of this year, beyond orthopaedic talents are being encouraged. On 21st of February sports meet of DOA was organized. The flag bearers of this event were Dr. Barjinder Singh and Dr. Vijay Sharma. It was organized at AIIMS Gymkhana, with badminton and table tennis as the two events. It was an excellent central venue with very good arrangements. There was a very good Sunday morning gathering with almost 70 members flexing their muscles.
